

Ninos soldier

Once I told my mother
I am also brave
I want to fight for my country
Like soldiers on the gate

My mom smiled and said
You are too small for this
But,you are big Enough
to do something better then this

There is a tiny soldier
within u and me
You can protect your country
From within

If you see someone
Cutting down the trees
Or littering waste on
Roads,parks or seas

If you see someone
Wasting water, electricity or fuel
Or honking near hospitals or schools

You can politely say
"Please, don't do this"
"Please don't do this"
